## Privacy Policy

This policy ensures that **Projem** meets its legal and ethical requirements in regard to the collection, storage and disclosure of personal information it holds for all stakeholders.

We are committed to only collecting information that is necessary, being fair when doing so, keeping you informed regarding the purpose for the information, collecting information as directly as possible and only disclosing information that is consistent with expectations.

Projem will keep all information collected secure, providing access to the records we hold about that party, to that party upon request. Where possible, Projem endeavor to limit the amount of highly sensitive information we hold.

In the event that records about a party are incorrect, incomplete, out of date or misleading, they can request that the information be amended. Where a record is found to be inaccurate, a correction will be made.

As Directors at Projem, we ask that you follow in our footsteps in supporting this Privacy Policy, achieving this through consultation with and cooperation by all.
